

The State of Homelessness in America 2013

By the Numbers Annual Benchmarks to End Chronic Homelessness

In November 2009, the U.S. Government unveiled a 5-year plan to end chronic homelessness.

Properly targeted permanent supportive housing ends chronic homelessness.

There are nearly 100,000 chronically homeless individuals on any given night.

Change in Chronic Homelessness by State, 2011-2012
