United Way of the National Capital Area serves eight regions:

Alexandria, Arlington, District of Columbia, Fairfax/Falls Church, Loudoun County, Montgomery County, Prince George’s County and Prince William County.
At United Way of the National Capital Area (United Way NCA) we see ourselves in three important ways: as a convener, a collaborator and a catalyst for community change.

Our vision is to create a thriving community where adults and children have access to education, financial stability and good health, which are the building blocks of self-sufficiency and a high quality of life.

In this annual report, you will learn about the impact United Way NCA achieved during Fiscal Year 2014 (FY14), which was July 1, 2013 to June 30, 2014. Please know that we could not have accomplished these results without the generous support of thousands of our donors, as well as our corporate partners, nonprofit partners, passionate advocates, volunteers and all of the people who make our work possible.

Thank you for your support.

United Way NCA has served this region for more than 40 years. We provide solutions to pressing issues. We change lives and restore hope. Now, our organization is evolving. As we undergo a rigorous process to determine where our investments will create the most impact, we look forward to the important work ahead of us.

Thank you for sharing our vision and for participating in our work.

Thank you for choosing to Live United.

Sincerely,

Rosie Allen-Herring
President and CEO
United Way of the National Capital Area
United Way of the National Capital Area is a **convener**.

*We convene the most effective nonprofit organizations and local businesses in our region to wrestle with difficult questions and develop viable solutions.*
Through forums, regional meetings and community conversations, United Way NCA convenes our corporate and nonprofit partners and members of the community to address our area’s most critical issues.
United Way NCA convenes nonprofit leaders and staff for learning sessions on topics ranging from fundraising to storytelling to building a tech plan on a budget. In order to help strengthen the nonprofit sector in FY14, United Way NCA’s Nonprofit Learning Series and capacity building events provided technical assistance and educational programs to 1,437 nonprofit, business and community stakeholders.
United Way of the National Capital Area is a collaborator.

We collaborate with our member nonprofit organizations and corporate partners to address pressing issues in our focus areas: education, financial stability and health.
In response to the federal government shutdown, United Way NCA created the Emergency Assistance Fund by investing $100,000. Capital One responded with a $100,000 grant, and Pepco also stepped up with additional funds. The funding was distributed to Capital Area Food Bank, SHARE Food Network, Meals on Wheels and Martha’s Table to close gaps in funding.
Research shows that when young people feel prepared to successfully transition to high school, they will have a much better chance of succeeding and graduating on-time. To prepare students for high school success, United Way NCA sponsors a City Year team at Kelly Miller Middle School (Washington, D.C.) that provides academic and social support to help students stay on track.

The team is accomplishing results. Students achieved an 11% gain in literacy proficiency and a 30% gain in math proficiency on District of Columbia Comprehensive Assessment System (DC CAS) standardized tests between FY11 and FY14.

Kelly Miller has moved from being designated by the District of Columbia Public Schools System as a “Priority” middle school to being one of its most celebrated middle schools.

In September 2014, we expanded our partnership with City Year DC. We are now sponsoring a second team that serves students at Neval Thomas Elementary School, which feeds into Kelly Miller Middle School.
STUDENTS ACHIEVED
11% GAIN
IN LITERACY SCORES
AND 30% GAIN
IN MATH SCORES
United Way NCA joined partners, including Goodwill of Greater Washington, to train District residents to apply for jobs at the Marriott Marquis hotel. Through this innovative program, participants were offered a comprehensive career and personal skills curriculum.

United Way NCA’s funding also provided participants with case management and wraparound services, including transportation stipends, digital literacy training and other supportive services.

As a result of our partnership with Marriott, 224 adults started new careers.

By 2020, nearly two out of every three U.S. jobs will require some post-secondary education training.
United Way NCA has invested $485,000 to provide job training, counseling and referral services for veterans in our community. As a result, 186 veterans were placed in full-time employment. United Way NCA provided support to three veteran-serving organizations: Columbia Lighthouse for the Blind (CLB), Easter Seals Veterans Staffing Network and SkillSource Group. We also collaborated with community colleges, businesses and support service agencies to provide access to education, basic needs support and additional services that have helped veterans and their families to thrive.
United Way NCA and the Community Foundation for Northern Virginia collaborated to release a study that assesses the well-being of post-9/11 veterans in Northern Virginia, as well as the network of support services available to them. Supporting Our Region’s Veterans was produced by Deloitte Consulting. Read the full report at UnitedWayNCA.org/veterans.

IN THE U.S.
6% OF POST-9/11 VETERANS ARE UNEMPLOYED
ONE IN THREE CHILDREN IN D.C. LIVE BELOW THE POVERTY LINE
United Way NCA collaborates with community partners and VITA sites to help low-to-moderate income families access the Earned Income Tax Credit (EITC), file tax returns and maximize their tax refunds. United Way NCA supported 20 VITA sites that helped tax filers receive more than $17.7M in tax refund dollars.
Childhood obesity is a serious issue that affects children across our region. To achieve our goal of educating children and their families about how to eat healthy and be active, during FY14, United Way NCA continued to provide our Fun, Fly & Fit youth fitness and nutrition program to 16 Before and After-care programs in Prince George’s County.

In FY 2014, United Way NCA donated $8,000 in physical education equipment to participating schools, and students accomplished more than 950,000 minutes of active play.
The Washington Redskins Charitable Foundation and United Way NCA hosted more than 700 elementary school students at “Recess with the Redskins” at the Prince George’s Sport and Learning Complex in Landover, MD, in April 2014. Kids did obstacle courses and activities with Washington Redskins players Niles Paul, Leonard Hankerson and alum Frank Grant.

Washington Redskins running back Alfred Morris also joined us for our annual health and fitness clinic, Hometown Huddle, which was held at Clinton Grove Elementary School in Clinton, MD.
United Way NCA collected and donated personal care packages filled with hygiene products such as shampoo, soap, deodorant, toothbrushes and toothpaste to more than 4,000 recipients. Throughout the region, volunteers held decorating events where they added artistic touches to the boxes. In total, the donated products were valued at $100,000; however, to shoebox recipients, the value was far greater. Having the products necessary to bathe and provide self-care helps a person to maintain his or her dignity.
United Way NCA connects our neighbors to basic needs support through 2-1-1. This free, non-emergency telephone number connects more than 450,000 people per year in the District of Columbia, Virginia and Maryland to human service information and referrals.
By convening the right people and forming dynamic partnerships, we create focused impact in the community.
United Way NCA awarded competitive grant awards, totaling $1.7M to member nonprofits located in the eight regions we serve: Alexandria, Arlington, District of Columbia, Fairfax/Falls Church, Loudoun County, Montgomery County, Prince George’s County and Prince William County.

The awards were focused on creating sustainable impact in our three priority areas: education, financial stability and health. The grants provide thousands of adults and children with access to medical and dental care, housing, job training, mentoring, academic support and other valuable services.

All charts and graphs represent 2013-2014 Community Impact Fund grant recipients. Percentages represent grant total amounts.
$1.7M
AWARDED TO MEMBER NONPROFITS
TO CREATE IMPACT
United Way NCA powered the second annual Do More 24 online crowd funding campaign on June 19, 2014. The 24-hour fundraising event raised $1.1M in online donations, cash prizes, bonus funds and in-kind support for 560 participating nonprofits. Do More 24 provided the nearly 11,400 donors with a simple way to directly fund the organizations they care about the most to create maximum impact.
$1.1M RAISED FOR LOCAL NONPROFITS
United Way NCA hosted four week-long Alternative Spring Break (ASB) programs in March, bringing together 132 students, representing 70 colleges and universities.

Volunteers tutored and mentored elementary school students and visited Capitol Hill, where they met with policy experts. Through the range of service learning activities, participants gained a better understanding of the challenges low-income families in the national capital area face on a daily basis.

In total, ASB volunteers completed 5,280 service hours with nonprofits throughout our community.
5,280
SERVICE HOURS COMPLETED
DURING ALTERNATIVE SPRING BREAK
The United Way of the National Capital Area (United Way NCA) does not charge nonprofit members a membership fee to be represented in the community. United Way NCA does not charge additional fundraising or shrinkage fees. The administrative processing fee charged member nonprofits was 9%. CFC amount raised of $11,759,750 from participation in the CFC of the National Capital Area, Chesapeake Bay Area CFC, Potomac CFC, and St. Mary’s County CFC. Fundraising costs paid by United Way NCA were $1,082,764 of which $1,043,506 were recovered through administrative processing fee.
