

**IN A TIME OF CRISIS,
SENATOR RICHARD
BURR: STANDING IN
THE WAY OF BETTER
CARE FOR VETERANS.**

HE SAYS ONE THING AND DOES ANOTHER

SAYS

“We are going to keep our promise to veterans.”

*Senator Richard Burr
February 26, 2014*

DOES

Blocked a tax credit that encourages employers to hire veterans (*Military.com, Feb. 27, 2014*)

Blocked over \$20 billion for veterans healthcare programs (*Associated Press, Feb. 27, 2014*)

Blocked giving veterans in-state tuition across the country (*Associated Press, Feb. 27, 2014*)

Blocked hiring assistance and job training for veterans (*Washington Post, Sept. 19, 2012*)

ACTIONS SPEAK LOUDER THAN WORDS, SENATOR BURR

...which is why it's shameful to see him try to pull one over on the people of North Carolina. At a time of crisis, Senator Burr is blocking funding for veterans.

The Department of Veterans Affairs needs more than a new Secretary. It needs to be fully funded. But the truth is, Burr has blocked jobs and benefits packages for our veterans in vote after vote — including sabotage of the Comprehensive Veterans Health and Benefits & Military Retirement Pay Act of 2014, which would have expanded benefits for veterans by \$20 billion.

Senator Burr the men and women who risked their lives for our freedom deserve more than empty words and partisan politics. Stop blocking the critical jobs and benefits legislation that our veterans need.

CALL SENATOR BURR AT (202) 224-3154, AND TELL HIM TO SUPPORT THE COMPREHENSIVE VETERANS HEALTH AND BENEFITS & MILITARY RETIREMENT PAY ACT OF 2014 — SO OUR VETS CAN GET THE SUPPORT THEY DESERVE.
