COUNSELOR/ THERAPIST

The Staten Island YMCA Counseling Service Center is seeking a qualified individual who will assist program administration with clinical and programmatic functions of the program. S/he will also implement program model, including evidence based practices and individual, group and family counseling services.

Responsibilities:
- Direct clinical services - intake, individual, group, family and collateral sessions.
- Provide appropriate documentation for each client file including treatment plans and accurate Census Reports.
- Provide recreational activities and positive alternatives.
- Supervise volunteers and interns.
- Perform fee collection.
- Actively participate in training sessions, designated meetings, annual fundraising and special events.

Qualifications:
- CASAC or Bachelor’s Degree in psychology or Social Services; Masters level clinician (LMSW, MSW, EDM, LMHC or related discipline) preferred.
- Minimum of three years of experience in related field.
- Minimum of one year of experience working with adults/adolescents who have substance abuse/mental health issues.
- Knowledge of stages of emotional and cognitive development, family systems and the impact of substance abuse, substance abuse education, and 12 step philosophy.
- Ability to relate to a culturally diverse population.
- Understanding of Evidence Based Therapeutic Interventions preferably with training in the area.
- Planning process, facilitation and organizations skills.

We offer an exciting and innovative work environment with an organizational culture committed to serving all members of our community. If you would like to be a member of our dynamic team, please forward your cover letter and resume with the subject line “Counselor/Therapist” to acarvalho@ymcanyc.org or to:
